BCRC Staff: Bill Colvin, Callie Fishburn, Samantha Page, Dara Zink

The meeting was called to order at 5:01pm.

1. **Public Hearing – *Landgove Town Plan***
   Dixie Zens made a motion to open the public hearing which was seconded by Gordon Black. Colvin shared that the *Landgrove Town Plan* was adopted by the town on December 18, 2025, and the town requested confirmation of the planning process by the BCRC on December 23, 2025. He noted that the staff evaluation tool had been distributed to commissioners and made available to the public. Staff has deemed the plan contains all required elements and meets all statutory requirements. Staff responded to questions regarding the energy and land use sections of the plan. Colvin called for votes from commissioners. David McAneny moved and Black seconded that the hearing be closed.

There being no other business from commissioners, Colvin announced the results of the voting on the *Landgrove Town Plan*. The planning process for the *Landgrove Town Plan* was confirmed with a total of 16 votes, including 11 votes from unique municipalities, thereby exceeding the requirement of a majority of municipalities in the region approving.

The meeting was adjourned at 5:09pm.

Respectfully submitted,

William Colvin
Director
